

EGiving Instructions

Go to web site: www.allshores.org

Scroll down to the bottom of the page. In the right corner click the **GIVE** button.

A page opens with the All Shores Logo. You can make a one-time gift without creating an account.

Next you will see a screen that looks similar to this:

My Donation

Fund

Choose a fund from the drop-down menu.

Amount

Enter the amount of your donation.

If you would like to give to more than one fund, click the words "+ ADD DONATION". A second fund and amount box will appear to enter the second donation. The funds you can choose from are General, Global Outreach, and Benevolent.

I'd Like to Give By

The screen will default to give by credit card. You can click on the words "bank account" if you would like to give using your checking or savings account.

To give by credit card or debit card:

Enter your card information, address and email.

If you know your giver number (envelope number) you can enter it. If you don't know it, we will fill it in for you. If you are a first-time giver, a new number will be assigned to you.

The box is checked for 2.5% convenience fee. This covers our cost from the credit card companies to process your credit or debit card donation. If you do not wish to pay this fee in addition to your donation, simply uncheck the box.

To give by checking or savings account:

Click on the words "Bank Account" right next to "Credit Card". You will see the grey bar slide over to highlight bank account.

Enter your savings or checking account information, address and email.

We are not charged the 2.5% convenience fee when you use your bank accounts. Uncheck the box for the fee.

Click Submit! You will receive an email confirming your donation and the screen will also say Thank you.

In addition, you will receive a follow up email with instructions of how to create an account and make your gift recurring.
